

## FGM, Inc. Wins IDIQ Contract with NRO

Press Release

### FGM, Inc. Wins IDIQ Contract with NRO

RESTON, VA May 5, 2008 – FGM Inc. has recently been informed that their team was selected for a new multiple-award IDIQ contract with the National Reconnaissance Office (NRO.) Over the past four months, they have been key team members on three winning teams for Intelligence Community (IC) contracts. Two of these procurements were with the National Reconnaissance Office (NRO) and one was with the National Geo-Spatial Intelligence Agency (NSA). As FGM continues its growth in National Security efforts, these contracts will allow FGM to address a wide range of IT initiatives in support of the IC customers and help solve their critical need.

### About FGM

FGM, Inc., is an information technology company delivering sophisticated, customized solutions that improve business efficiency across the enterprise.
