

## FGM hires new Business Developer for Regional Operations Division

Press Release

RESTON, VA – July 1 2008 – FGM Inc., an information technology solutions provider to Department of Defense, Intelligence Community, and U.S. Government civilian and international agencies, announced today that Matt Mills, Lt Colonel/USAF (Ret.), has joined FGM Inc., headquartered in Reston, VA, as Director of Business Development, Regional Operations, in Colorado Springs, CO. Areas of responsibility include Omaha, NE, Colorado Springs, CO, San Diego, CA, Albuquerque, NM, Los Angeles, CA, and Honolulu, HI. In addition to leading business development support to Regional Operations, Mr. Mills will assist the Vice President of Business Development in Reston with corporate strategy, campaign planning, bids and proposals, and marketing.

Mike Morehouse, FGM's Chief Operating Officer (COO) said, "I am very pleased that Matt has joined FGM. His skills and experience in business development and his in-depth understanding of both the technical and operational aspects of our efforts make him a valuable asset to FGM and our continued growth."

Prior to joining FGM, Mr. Mills has worked in Colorado Springs in program management and primarily in business development for 10 years since his retirement from the USAF. While in the Air Force, Mr. Mills gained experience and expertise in air and space integration, C4ISR, capabilities requirements definition and analysis, concept development, systems integration, test and evaluation in addition to his operational fighter assignments.
