

FGM, Inc. Awarded the DLA Enterprise Data Strategy PMO Support Contract

Press Release

FGM WILL CONTINUE TO SUPPORT THE DEFENSE LOGISTICS AGENCY (DLA) IN EXECUTING OBJECTIVES RELATED TO THE IMPLEMENTATION OF THE ENTERPRISE DATA STRATEGY (EDS)

RESTON, VA – Wednesday, September 30, 2009 – The Department of Defense (DoD) has awarded FGM, Inc. a contract to provide DLA Enterprise Data Strategy PMO Support to the Defense Logistics Agency.

FGM will participate with senior leaders within DLA to determine the path that the Agency's data strategy/management should take. FGM supported the initial comprehensive efforts of the Integrated Data Environment and helped to implement the approach, processes, procedures, and tools to implement portions of the EDS.

FGM's COO Mike Morehouse, said, "FGM can leverage what is already in place today, apply our deep experience within DLA, and generate best practices from NCES and the commercial space to develop and mature the DLA EDS. FGM continues to look forward to supporting the comprehensive efforts of the Integrated Data Environment (IDE)."

The Defense Logistics Agency (DLA) is the Department of Defense's largest logistics combat support agency, providing worldwide logistics support in both peacetime and wartime to the military services as well as several civilian agencies and foreign countries. The DLA Enterprise Data Strategy (EDS) is the guiding document for establishing and institutionalizing the management of data assets and the delivery of data enterprise services to the DLA and DoD community.
